

Suspend Hearing

Protest Sludge Pond

After hearing four hours of testimony on why the residents of south Cook and Will Counties are opposed to a dump sludge lagoon in this area, trustees of the Metropolitan Sanitary District suspended the hearing to a later date.

Over 500 persons were transported by eight buses to the hearing, which was transferred from the district's Chicago headquarters to the Sheraton-Chicago hotel's grand ballroom.

All those who attended were from towns that would be directly affected if the district were to acquire 2,200 acres of land just south of Tinley Park for the dumping of sludge from their Calumet and Stickney treatment plants.

Those who were heard enumerated the reasons why the proposed site,

bounded on the north by 183rd St., on the south by U.S. 30, on the west by Harlem Ave., and on the east by Ridgeland Ave., is being opposed by residents of Tinley Park, Oak Forest, Country Club Hills, Matteson, Park Forest, Glen Ridge, Homewood, and Frankfort.

All who were heard from these communities protested the removal of the sizeable amount of property from the tax rolls to the detriment of the schools and other taxing bodies.

Offer Alternatives

State Representatives Leland H. Rayson of Tinley Park, who also represented Country Club Hills as their city attorney; and Anthony Scariano of Park Forest, spoke for the residents of the area opposing the plan, and offered some alterna-

tives.

Both representatives said they will co-sponsor a bill now being drafted to be presented to the Illinois

General Assembly July 15 to repeal the legislation enacted last year that prohibits the sanitary district from condemning land out-

side of Cook County.

Both pointed out the land in question is expensive farm land, affecting school district 159.

Representative Rayson mentioned the two hospitals being constructed in the area and that proposed sites for a senior college and for a

location the Chicago area and the Ruhr Valley of America" because of its proximity to two major highways Interstate 80 and 57.

Strip Mines

Representative Scariano called the board's attention to the strip mines in Will and Kankakee Counties that are clamoring for reclamation and could be purchased for "next to nothing". They could be transformed into recreational facilities, he said.

A representative of the Democratic Party in Rich Township also pleaded that the district consider alternative areas rather than this valuable property.

A letter from Congressman Edward Derwinski (4th District) was read in which he said that in view of the many questions raised on the intended use of the site for

Tax Time Is Here Again!
Collectors Open Offices

By now almost everyone in Frankfort, New Lenox and neighboring townships has received his tax bill.

These bills should have been out in April or May because under the law personal taxes and at least the first installment of real estate taxes must be paid before June 1. The regular deadline for payment of the second installment of the real estate taxes is Sept. 1. But those dates are out this year, as far as Will County taxpayers are concerned.

The Will County Board of Supervisors has set new deadlines. All personal taxes and the first installment of real estate taxes due on 1967 valuations must be paid before Aug. 1. The second installment on real estate taxes must be paid before Oct. 1. There is a penalty for failure to meet these deadlines.

Bernard Schram, collector for Frankfort Township, will accept tax payments at the Mokena State Bank during regular banking hours, July 5-13-19-27-30, and at the Frankfort State Bank on July 6-12-20-26-29, including the night hours.

Alfred Emiley, collector for New Lenox Township, will be at the New Lenox State Bank to accept tax payments during regular banking hours, including the evening hours on Fridays.

Tax bills are late this year. For one reason some of the assessors were late in getting their books at the courthouse and then the Illinois Department of Revenue stepped into the picture. It decided assessments were

not high enough and ordered a multiplier of 1.1365.

The State Department of Revenue sometime ago decided that property should be assessed at 55 per cent of its value, based on sales in an area. In many instances assessors have endeavored to do this. The assessors in Frankfort and New Lenox townships, for example, contend their books were made up on this basis.

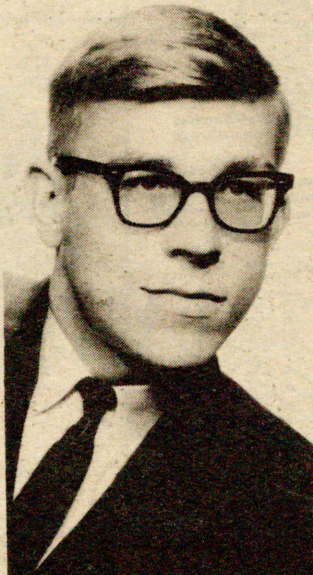

The state bureaucrats in the revenue department, however, apparently disregarded such claims. They decreed a blanket increase in valuation so that in those towns where property is valued at 55 per cent of its actual sales value it has been boosted to approximately 14 per cent more.

Efforts were made to get the department of revenue to reconsider its action without success. Attorney Albert H. Krusemark, who is legal counsel for the Frankfort town board, endeavored as such to enlist the aid of the county board in bringing the revenue people to court to explain their action and by so doing enjoin the collectors and county treasurer from collecting taxes for 1967.

The County board declined to become involved and such an undertaking would have cost too much for Frankfort Township to carry the entire burden, it was pointed out. Also some of the taxing bodies, especially the schools, were against any long delay in collecting taxes because it costs a lot of money to borrow money these days, spokesmen

pointed out.

The board of review did not have time, it was explained, to adjust the differences in township by imposing a township multiplier, nor had the treasurer's office, so the State Department of Revenue acted. How it arrived at the figure for the multiplier, 1.1365, is not explained.

NI-Gas
To Give
Refund

William J. Crowley, executive vice-president of Northern Illinois Gas Company has announced that gas bills for its customers will be reduced to reflect a refund of more than \$715,000 during the next 12 months.

The utility has received a refund in that amount from Natural Gas Pipeline Co. of America, one of its major gas suppliers. NI-Gas plans to pass the refund back to gas users thru its purchased gas adjustment provisions. The reduction will apply to bills for gas service from June 1, and will continue over a 12-month period.

The refund will benefit all of NI-Gas' nearly one million customers.

In May of this year, NI-Gas reduced its rates to customers by \$2.3 million annually. Since 1962, the utility's rate reductions have totaled more than \$31 million.

Large Turnout Hoped
Of Fourth Activities

Firework displays are planned for several communities over the Fourth of July weekend. In the Orland Park area, the Chamber of Commerce will be in charge of the display again. The event will take place on the athletic field at Carl Sandburg High School. The public is invited. There will be a charge of \$1 per car. The Chamber is spending \$1,500 this year, with a total of \$500 more than last year.

The New Lenox Lions Club and Association of Commerce will sponsor a fireworks display on the night of the Fourth, on the Lincoln-Way High School athletic field. There will be no admission charge, according to those in charge, and the public is invited.

At Mokena, the firework display will be held Sunday night, July 7, concluding the four day festival. They will be set off in the community park and there is no admission charge. It will start at 10:00 p.m., after which the grand prize, a Ford Mustang, will be awarded. The four day festival will begin at Mokena on July 4 with the traditional parade, after which various activities will follow. On Friday, there will be a teen age dance from 6:00 to 9:00, then on Saturday, July 6, an auction sale will be held at the community park with Norman Strassenburg, auctioneer, presiding. On Sunday, July 7, residents are welcome to attend a Little League baseball game at 2:30 p.m.

Booths and carnival rides will be set up in the park and will be open to the public

from 2 to 11 p.m. each of the four days except Friday, when they will be in operation from 6 to 11 p.m.

The Cherry Hill Fourth of July parade which is scheduled to start at 2 p.m. will have music by the New Lenox Grade School band, along with Boy Scouts, Cub Scouts, Minut Drill and Baton teams also appearing. All participants will receive refreshments and gifts, it was announced.

The Marley Community Church will sponsor their annual Fourth of July picnic to be held at Haley Park. The public is invited.

Frankfort has nothing planned for July 4, but hope to have a gala festival over the Labor Day weekend.

Various Chicago Sights Planned By Cub Scouts

Mrs. Dolores Anderson
Telephone: 485-2365

Cub Scout Pack 6 of New Lenox is planning an exciting field trip for July 10. The trip will include the Chicago Fire Academy, Grant Park, O'Hare Field and Shedd Aquarium. The first 45 boys to call and sign up will get to go.

A bus has been reserved for the trip and it will leave the Methodist church at 8 a.m. sharp. The fee will be \$1.25 for each boy. He should also bring his own sack lunch and beverage. Boys in a cubber's family who would

like to go, may, if there is room and if they have signed permission slips from their parents.

Members of Cub Scout Pack 6 that would like to go on this trip, are asked to call Mrs. Taylor at 485-8882 by July 1.

The New Lenox association of commerce will meet Tuesday, July 9, for a luncheon meeting at noon at Bruns Restaurant.

VFW auxiliary will meet Friday, July 12, at 8 p.m. at the Post home.

Members of the area Nazarene churches were among the record throng of an estimated 35,000 delegates and guests in Kansas City, Mo., June 13-21 for the Nazarene 17th General Assembly at which three new general superintendents were elected and goals and a theme for 1968-72 were adopted.

Theme for 1968-72 will be: "These times . . . God is able."

Attending from this area were: the Rev. W.D. Huffman, the Rev. and Mrs. Lester Johnston, the Rev. and Mrs. Roy Nix and family, Barbara Harris and mother, and the Arden Neissner family. These represented the three churches in the Joliet-New Lenox area.

Trinity Lutheran church will hold its annual congregational picnic at Francis 4-H Field Sunday, July 7, after the 10:30 service. Those attending are asked to bring their own table service and food for themselves. Sunday school teachers are in charge of the affair.

Sixteen members of the Couples Club of the Lutheran church entertained at a going-away party for Mr. and Mrs. Bert Yahnke and family, who are moving soon to Phoenix, Ariz. Refreshments were served and a gift presented to the Yahnkes.

Lynn Ann Schroeder, daughter of Mr. and Mrs. Earl Schroeder, 144 First Avenue, New Lenox, was named to the Dean's list at Illinois State University for the spring semester. Lynn will enter her senior year this fall at the University, majoring in elementary education.

VFW Harry E. Anderson Post 9545 will meet Friday, July 5 at the post home, 323 Old Hickory road, for its regular meeting.

The New Lenox Bluebirds 4-H club will meet Saturday, July 6, at Francis 4-H field for its final

meeting of the 4-H year, at 1:30 p.m. Preparation will be made for the 4-H Fair to be held July 23, 24 and 25. Clothing judging will be held July 16 and the public speaking contest will be held July 10.

Record finish - up is scheduled for a later date. Every girl having talks or demonstrations left to give, will have to give them at this meeting. Meetings will resume in September.

The New Lenox auxiliary police will meet on Sunday, July 7, at the village hall.

The New Lenox civil defense unit will meet Tuesday, July 9, at 8 p.m. in the Village Hall.

The New Lenox Lions Club will meet Wednesday, July 10, at 8 p.m. in the Lions den on South Cedar road.

The Men's Holy Name Society of St. Jude church will meet July 9 at 8 p.m. in

the school hall.
The New Lenox volunteer firemen will meet Thursday, July 11, at the fire station.

TRACE TROUBLE on village map. Trustee George Bills and Engineer George Barber point to area where residents complain sewers are backing up in basements. Heavy rains bring about such a condition, it was pointed out. The only solution, engineers say, would be a storm sewer system but the cost is looked upon as prohibitive at the present time.

Heart Attack Fatal To Frankfort Farmer

Frederick W. Redman, 52, Wolf Rd., Frankfort Township, (south of Laraway Rd.) died about 2 a.m. Sunday, June 30, in Silver Cross Hospital, Joliet, where he had been taken following a heart attack at his home.

Mr. Redman, who farmed, was born at Chicago, Jan. 8, 1916, but had resided in the area for many years. Besides his wife, the former Loraine Peterson, he is survived by a daughter, Loraine, Mrs. George Swanberg, two grandchildren, four sisters, and four brothers, Mrs. Mildred Vetterick, of Riverdale; Mrs. Eleanor Schultz, Chicago; Mrs. Edith Wakefield, Palos Heights, Mrs. Lucille DeGol, of Hazelcrest; George Redman, of Dolton; Albert, of New Lenox; Henry, of Matteson and William, of South Holland.

His parents, John and Elizabeth, Redman, a sister, Mrs. Evelyn Kruger, and a brother John, preceded him in death.

The body was taken to the Frankfort Community Chapel

where visitation was held Monday and Tuesday. Funeral services will be held this afternoon at 2 o'clock at St. Peter's Church, with the Rev. LaVern Smith officiating. Interment will be in Pleasant Hill Cemetery.

2 Libraries In Area Get State Cash

Two public libraries in the area, Tinley Park and Country Club Hills, have received a share of the \$123,365 allocated to 64 Illinois public libraries as equalization grants.

Tinley Park gets \$1,654.21 and Country Club Hills Library is to receive \$1,744.97, it was announced by Paul Powell, the Illinois secretary of state. As such he is also state librarian.

These equalization grants are given to libraries, it was explained, as supplement to the local annual library tax of .06% where that assessment comes to less than the \$1.50 per capita minimum.

Gougar Rd. Program Ready For Letting

Approval by the Joliet Area Transportation Study of the proposed changes at the junction of Gougar Rd., U.S. 30, and Washington St., west of New Lenox put it on the 1st for bids.

It could be that the project will be on the August letting but if not then it was believed a contract would be let in October. Supervisor John E. Francis, of New Lenox, a member of the transportation study committee, explained that federal funds are not available for this work.

The improvement calls for completion of the west bound traffic lanes on U.S. 30 to the curve where the trailer park is located. This widening of Route 30 now ends at a point just west of the access ramp for traffic that wants to go west on I-80.

Gougar Rd., Supervisor Francis said, is scheduled to be raised where it now

slopes on the south side of the Rock Island crossing. Route 30 would be raised too. Washington St., which now joins U.S. 30 at Gougar is to be cut off. Washington St. will join Route 30 at a point just west of the truck stop that occupies the flatiron shaped corner. There is a ravine there now, partially filled with tree limbs and stumps and rubble. That is where Washington St. will be cut thru and the present east end closed off.

Widening plans for Larkin Av., on the west side of Joliet appear to be out the window. The city of Joliet was planning to dump storm water on Rockdale and when the village of Rockdale discovered what Joliet intended to do it raised such strenuous objections that the transportation committee tabled the proposal. Unless the transportation committee gives its OK the Larkin widening plan is dead.

Fails To Stop, 3 Die

An automobile traveling south on Cedar Rd. toward New Lenox late Saturday afternoon failed to stop for U.S. 6, according to state police. As a result three persons are dead and a fourth injured.

The dead were all occupants of the car that didn't stop. They were hurled out of the vehicle so there is nothing in the report as to who was driving. However, the car was owned by Chester W. Grace, 26, of Mason, Ill.

Grace's wife, Carolyn, 18, and Carl Bartels, 41, of 360 129th St., Lemont, were pronounced dead at the scene. Grace was pronounced dead on arrival at Silver Cross Hospital.

According to Coroner Willard G. Blood the traffic toll in Will County now stands at 38.

According to the report the Grace car ran the stop sign at U.S. 6 and was hit by a westbound car driven by John Mikrut, 54, of 10310 Avenue J, Chicago. Mikrut was admitted to Silver Cross Hospital but his injuries were not believed to be serious, it was said.

The three persons killed all had crushed skulls, the report states. The crash took place about 5:45 o'clock.

The Graces were tenants on a farm owned by Bartels at Mason, and were up here visiting their landlord over the weekend. They had no children. Bartels a mason contractor, is the father of six. The trio was reported enroute New Lenox where Bartels wanted to look over a job.

School To Take Bids

The Orland Park Grade School is to take bids on gymnasium equipment and asphalt paving at its next meeting, July 10. The bids will be opened at 8 o'clock. The board will meet at the Orland Park School, 9449 W. 143d St.

Further information may be obtained by calling the school office at 349-0330, it was announced.

Ask New Bids On Front Street Paving Program

New bids will be taken on the Front St. paving program at Mokena, it was decided at the meeting of the village board last Wednesday night.

The meeting last week was held then instead of July 1, and the meeting that had been scheduled for July 17 will be held a week later, July 24, and it will be then that the new bids on the street improvement program will be opened.

Front street is to be widened and rebuilt between Division St. and Schoolhouse Rd. There will be curb and gutter added, and some storm sewers. When the street is completed parking will be limited to the south side of the street, pursuant to an ordinance adopted several months ago. At last Wednesday's meeting the board also adopted an ordinance -- required by the state highway department -- banning sanitary or industrial waste from the storm sewers.

Two bids on the project were read at the meeting but on recommendation of George Barber, of Mulford Engineers, as village engineer, they were rejected. The price asked, board members and engineer agreed, was too high.

Each of the two bidding firms submitted two prices, one on the job if an all stone base were employed, and one in the event the base were built up from bituminous material, as was done on the section of Front St. between Wolf Rd. and the west village limits.

The engineer's estimate was \$47,733.30 for an all stone base, and \$46,446.80 if built up with balcktop.

Trygg Paving Co. and Delta Construction Co., both of Joliet, were the two bidders; Delta asked \$53,156.25 for an all stone base job, and \$52,698.75 if blacktop were used. Trygg's price was \$58,977 for the stone base, and \$58,088.99 for the blacktop.

"If we had some Cook County firms bidding," Baber told the board, "I believe the price would have been in the 40-thousands. I think we will get some Cook County firms bidding at the July 24 meeting."

The major portion of the session last Wednesday was taken up with a discussion of the sewer situation. The preceding weekend and Monday and Tuesday were marked with heavy rains. In all about four inches of rain fell in the period and a lot of it penetrated the sanitary sewer lines with the result that a number of householders reported flooded basements. Some of the water contained sewage, it was reported.

The board asked the engineer to review the results of the smoke tests taken last year to determine where storm water was getting into the sanitary sewer lines. Trustee George Bills said that he believed that one source -- the roof water that ran into the sewer mains thru downspouts attached to buildings -- has been eliminated.

However, a check will be made in the course of reviewing the tests to ascertain if any of those who disconnected downspouts from the sewer lines have hooked them up again.

Harold Cooper, Mokena

auto dealer, was one of those present to complain about basement flooding. In the past three or four years his basement has been flooded three times, he said. Prior to that he had not had water in the basement in some 30 years, he said. Cooper believes that a lot of the water finding its way into the sanitary sewer gets there thru catchbasins. The trustees said they had all the manholes raised last year.

Cy Glazier, 19323 Union St., and a neighbor, Martin Thomason, 11045 Revere appeared to complain about flooding. Glazier has a .5-foot crawl space under his house and for days now it has been full of water.

Pete DeLair, 19900 Mokena St., was another to appear and ask that something be done to keep the water from backing up out of the sewer thru house drains. The township and state will be asked to take a hand with the problem involving Hiawath St.

The Streets and Alley Committee was instructed to meet with the engineer and endeavor to find the cause and remedy for the flooding situation.

Trustee Bills said that the village has a set of plans for a storm sewer system but the cost is great -- a million and a quarter dollars.

"Mokena just doesn't have the bonding power for such an undertaking," he said.

There are various tile lines that run thru the village that carry away a lot of the surface water, it was said, but some of these lines are now clogged or broken and since they were never mapped they are difficult to locate or trace.

Last Rites For Willy Muehler

William E. Bettenhausen, 44, late of Rural Frankfort, died Tuesday morning, June 25, at Frankfort.

Mr. Bettenhausen was born April 27, 1924 at Tinley Park, and spent his entire life in the area. He was a trucker and auditor for Green Garden Township.

He is survived by his wife, Joanne; three sons, Roger, Larry and Steven; a daughter, Joy; a sister, Bernice Schlueter, and two brothers, Howard and Edward.

Removal was to the Hirsch Memorial Chapel, Tinley Park, to the Green Garden Methodist Church where services were conducted Thursday, June 27, at 2:00 p.m. with the Rev. Thomas Hardwick officiating.

Interment was in the church cemetery.

but is believed to have suffered a recurrence last Friday night. He was stricken in his home and rushed to Silver Cross Hospital at Joliet where he died about 1 a.m. Saturday.

Mr. Muehler was a member of the Mokena Lions Club, the Chamber of Commerce, the Volunteer Fire Department and St. John's Church, which he served as treasurer. He also owned a coin operated laundry.

Besides his wife, the former Gertrude Sippel, Mr. Muehler is survived by a son, Mark, of Mokena, a daughter, Mrs. Diane Weber, Chicago; three sisters, Mrs. Hertha Rodgers, Mokena; Mrs. Bernice Schroeder, of Frankfort, and Mrs. Gretel Casper, of Aurora, and four brothers, Walter and Hans, of Mokena, Max of Ithaca, and Ludwig, of Dolton.

Frankfort Man Dies At Hobart, Ind.

Arthur Bauman, member of one of the pioneer families of Frankfort, died Friday, June 28, at Hobart, Ind., where he had resided for the past five years. He was 85 years old.

Funeral services were conducted at Hobart Monday, July 1, and then the body was brought to Frankfort for burial in Pleasant Hill Cemetery.

Besides his wife, the former Ida Kohlhausen, Mr. Bauman is survived by a son, Carl, of Hobart; one sister, Mrs. Edith Lambrecht, of Frankfort, two grandchildren and four great-grandchildren.

Annex Home To Mokena

The property of Mr. and Mrs. Berle Needham, on LaPorte Rd., in Kohlwood Estates, has been annexed to the Village of Mokena. The action was taken by the village board after a petition had been filed by the property owner. LaPorte Rd. was annexed to the village sometime previously.

There were indications that other residents of Kohlwood may be interested in coming into the village. It is possible, it was said, that eventually a sewer line could be extended along LaPorte Rd. at the expense of property owners and developers.

On July 1st 2,500 Information Operators changed their names.

No, they didn't all get married (except for the girl in the middle). They've changed their names from Information Operator to *Directory Assistance Operator*. The reason: *Directory Assistance* is a more accurate description of the jobs they do.

Think about it. They are there to help you find phone numbers when you aren't able to find them

yourself. Like when there's no directory around, or when you need a new number that's not listed yet.

Sounds logical? Sure. But a lot of people call for assistance and never realize that the number they need is probably right there in the phone book. At Illinois Bell, three-fourths of the calls to Information are for numbers

correctly listed in the directory.

We're hoping the new name will help remind people that the girls at *Directory Assistance* are there to help whenever the phone book isn't. So remember, before you call for the number you need, give the book a look.

Camp Morris Scene Of Scout Troops Campout

Mrs. Edward Hovi
Telephone: 479-5740
The Boy Scouts of Troop No. 10 will be going on a week-long campout at Camp

Morris at the end of the month. All boys will be required to have a physical exam slip filled out to attest to their health prior to the

trip.

The boys will also participate in the annual Fourth of July doings at the Mokena Community Park this weekend. They will have the "African Dip" booth as they did last year. Let's hope for their sake that the weather is much warmer this year, so that they will not have to flirt with pneumonia again.

The troop also had a swimming party planned for last week at Castle Acres, but found out that the pool was for outdoor use now and the sixty degree weather made it ideal for polar bears and

not for boys.

Another try at a swimming outing was scheduled for this past Tuesday, weather permitting. Hope it turned out well.

Obviously the weather did not permit the playing of baseball games, since we did not have enough row boats to go around. The four days of rain left the two fields in less than playable condition.

The pony league has a game scheduled against the Manhattan Lions at the Manhattan field tomorrow night, Friday, July 5 and another one on next Tuesday evening, July 9 at our own field against the New Lenox Lions.

The A team little league schedule shows none set for today, July 4, but one is set for Monday, July 8 against the Lincoln Estates Mets, with the Mets being the home team. Next Thursday evening is another scheduled date, July 11, with the game to be played on our field against the Frankfort Lions.

Both the blue and the green farm teams are having a game at our field tomorrow evening, with the blue team playing the Lincoln Estates boys and the green team playing the No. 1 Frankfort Team. On Monday, July 8, the blue team and the green team will play each other at our field.

On Wednesday, July 10, Lincoln Estates will meet the green team at our field and the blue team will meet the Frankfort No. 2 at their field.

All games on the schedules will begin at 6:00 p.m. Please try to make an effort to attend at least the home games. No transportation is required to see these games, just your two feet.

The Frank Lewis family on Poplar Street spent a weeks vacation at a summer resort in Michigan. Sure hope that the weather was much more desirable there last week than it was here for vacations.

Open Letter from the HIRSCHS'

Dear friends,

July 4 commemorates our nation's Independence Day. It is proper that we, as a nation, now encourage free and honest elections among the emerging nations, so that they too may benefit from government 'of the people . . . by the people . . . and for the people'.

We may not always approve of the governments they elect, but the right of mistake is also theirs. Democratically elected governments will serve both the cause of independence and world peace.

Respectfully,

Erin Hirsch

Cancer Group Asks Dressing Material

Mrs. Sherman Knox
Telephone: 349-0211

Wednesday, July 10, the cancer dressing group will meet in Wesley Hall at 10 a.m. Those planning to be there for lunch are asked to bring a sandwich. Coffee and dessert will be served by the committee. If anyone has material as white shirts, pillow cases, sheets,

bath towels etc. no longer useful for their purpose, the chairman, Mrs. Harry Pihl will gladly accept goods for the group.

Mr. and Mrs. Robert Manning and family of Burnham, Penn., are house guests of their aunt, Miss Iva Hansen for two weeks. They plan to visit friends and relatives also. Robert formerly resided in Orland Park.

Mr. and Mrs. Ray Robson Sr., have returned from a vacation to Hayward, Wis. They stopped at Cass Lake, Minn. then on to Cranberry Portage in Manitoba and Flin Flon, Manitoba. They returned to Hayward where they visited friends. No fishing. In all they traveled 3,258 miles. Weather was on the cool side.

The Adventure group was rained out for the tour of the Little Red School House last week, so they will tour the Little Red School House Wednesday, July 3. A naturalist will be the speaker. They will have a cook-out camp fire and recreation.

The Daily vacation Bible school of the Methodist Church was held Friday, June 28.

Last Wednesday, June 26 the adventure group went on a field trip to the Field Museum for a special exhibit of the Masada - King Herod's Fortress.

The Adult Bible Class of the Methodist Church will meet in Wesley Hall for their regular meeting, Wednesday evening, July 10 at 8 p.m. Friends are in-

vited to attend.

Airman first Class Gerald L. Ashley, son of Mr. and Mrs. Thomas Ashley, 14657 Birch St., is a member of the unit at Bien Hoa AB, Vietnam, that has won selection as the best tactical fighter wing in the US Air Force.

Sister Mary Aloyse Beausoleil of St. Michael School, is one of 40 teachers attending a Voix et Images de France Institute at the Chilton's Center for Curriculum Development at Philadelphia.

On this coming Monday, July 8, a two week (ten days) course of Christian instruction will begin meeting at Christ Lutheran Church. The Vacation Bible School which will meet daily from 9:00 a.m. -- 12 noon is under the co-sponsorship of All Saints Lutheran Church. Studying under the general theme: "Tell The Good News", the students will be placed in classes which will correspond to their last grade in school. In addition to classes for children already enrolled in school, there will be two nursery classes for the 3 and 4 year olds. Beginning on Monday, July 8, a child may be registered at any time during the first week. In

order to cover the cost of individual workbooks and project kits, a \$1.00 registration fee will be charged each student. The concluding worship service for all students and their parents will be conducted on Friday evening, July 19, at 7:30 p.m.

sludge disposal, that it should be reviewed and re-evaluated. He asked that the trustees not take any action until all possible alternatives are thoroughly studied. He also asked to be advised of their decision.

During the showing of films depicting the operation of the district's four treatment plants, Chief Engineer Frank Dalton, said that they serve nine million people and that they collect 1,000 tons of dry waste each day.

Problems

The district is attempting to solve the problems of sewage disposal so that future generations do not inherit them, he said.

Attorneys for the Villages of Tinley Park, Markham, and Matteson, also argued against the proposed site, as did Mayor Ken Fulton of Tinley Park and Mayor Don Segin of Country Club Hills, also Donald Jenkins, superintendent of school district 159, located in the area.

Jenkins said that the school district established in 1857, is 17 1/2 square miles

and is the fourth largest in Cook County. There are two school buildings in the district and with normal growth it is possible that eventually the district may need up to 12 school buildings. He said that since 1962 the assessed valuation of the district has been decreasing. He mentioned the large amount of property in the district taken by the Forest Preserve District and is concerned about the removal of additional acreage, with resultant decrease in the tax base for the school district, while the school population is increasing.

Financing

Mayor Fulton pointed out that if the sanitary district purchases this expensive property for their project, that it is reflected in the tax bills. "Your costs are our costs," he said. He asked how the district planned to finance the cost of the project and if it would be by a bond referendum.

Tinley Park Trustee John Dunn in his presentation questioned the films recently shown to the village board by sanitary district

* Thursday, July 4, 1968 GRAPHIC NEWSPAPERS Page 9

officials depicting sludge disposal pilot projects in Pennsylvania, California and Northern Illinois, also the Hanover Park project, where there are fine homes adjacent to a sludge dump. The homes were there first, said Dunn. He said that the homeowners were questioned and that they said "Don't let this happen to you."

The sanitary district was negotiating with the Catholic Archdiocese of Chicago to purchase 800 acres of land owned in the area by the church.

Ted Galas, who is chairman for the project for the Chamber of Commerce, read a letter from an attorney who represents Cardinal Cody. The letter stated that the Catholic bishop of Chicago is not intending to sell the 800 acres of land to the sanitary district, and if the district attempts to obtain it by condemnation, the Archdiocese will make a defense before the courts.

Galas said that those opposed will fight the project by every means. He said that 10,000 people in the area will fight it.

Will Attend Budgetary Meeting

The Mokena village board will have several representatives at the Fiscal Management Service meeting at Rockton, Ill., July 17.

This meeting has been arranged by the Illinois Department of Revenue for a study and exchange of ideas relating to municipal budgetary practices.

Because this meeting falls on the same date as scheduled for the village board meeting it was decided at last week's session that the village council would meet a week later, on July 24.

Pupils To Register

Early registration of pupils who will be attending classes in the New Lenox District (No. 122) next fall is urged by the school administrative staff. They point out that if pupils wait until the beginning of school to register it imposes considerable extra work on the staff.

It is important, said Supt. Arnold Tyler, that every effort be made by parents to enroll their children in registration week, which will be from July 22

thru July 26.

Registration will take place in the Oakview School lobby on those dates between the hours of 8:30 a.m. and 2:30 p.m.

At the time of registration fees will be collected for book rental and a year's supply of milk. Book rental will be \$10 and the milk will cost \$7 -- for the entire school year. A student insurance policy will be available for \$2; the premium for "Around the Clock" form of policy will be \$15.

Announce Engagement

Mr. and Mrs. William T. Malloy, East Circle Drive, New Lenox, announce the approaching marriage of their daughter, Betty Jane, to P.O. 3/c Michael Allen Bernard, son of Mr. and Mrs. George A. Bernard, 10942 First Street, Mokena.

The wedding service, to be read by Rev. Cecil Koop, is set for 3 p.m. July 20, in St. Mary's Catholic Church in Mokena.

A reception is planned from 6:30 p.m. until 12, at the Palos Country Club, Palos Park, to which invitations are being issued.

A graduate of Lincoln-Way High School, Miss Malloy is now employed by Illinois Bell Telephone Co., Mr. Bernard, also a graduate of Lincoln-Way High, is stationed at Key West, Florida with the U.S. Navy.

\$3-Million To Savers

The dividend distributed to Joliet Federal savers on June 30 represents the largest single semi-annual dividend ever distributed by Joliet Federal. The dividend of more than \$3 million is an increase of over 7 per cent over the previous \$2.8 million record dividend for a semi-annual period set last Dec. 31. Savings balances increased by more than \$5 million for the first six months of 1968.

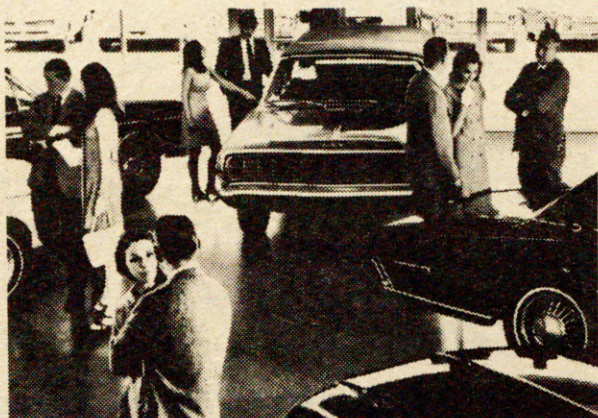

The 4 3/4 per cent earnings rate paid on passbook savings accounts is the highest allowable rate as set by the Federal Home Loan Bank. Also at maximum rate is the 5 1/4 per cent per year with one year maturity and a minimum balance of \$10,000.00. According to John B. Figel, association president, "July offers present certificate holders, as well as others, an excellent opportunity to open additional certificate accounts in order to balance income over the year."

DON'T

LET
DEATH
TAKE THE
DRIVER'S
SEAT!

Let's face facts. Live drivers are safe drivers. Whether you think you're the world's greatest driver or not, there's always the other guy. The guy who runs the light, who drinks too much, who didn't see the sign. Over the holiday, there are always more of them. And the only way to avoid serious accidents is to be a careful driver. Keep a safe and steady hand on that wheel. If you don't, death can be in your driver's seat, too!
